My First Trip to Hanoi

My name's Nam and I want to tell you a funny story about my first trip. Last weekend I went to Hanoi with my family. We took a cheap flight and we stayed in a hotel in the city centre. I packed all my clothes and my computer in a bag. My dad asked me not to check it in but I did. We got our luggage at the airport. When I opened my bag, it was full of books and girls' clothes. The bag looked exactly like my bag but there were skirts, shoes and lots of books and magazines. I phoned the airport but they didn't know anything about my bag. Therefore, I spent three days without any clothes and computer. My brother gave me some of his clothes but they were too big and I looked terrible! We also visited some famous places in Hanoi such as Hoan Kiem Lake, Tran Quoc Pagoda and I took some photos of my family. On the last day of my trip, my bag suddenly arrived at the hotel. I was very happy to see it and I didn't have to pack. Anyway, we had a great trip.

6 READING

What is a hobby?

We have a hobby for pleasure and we have no idea of making a profit out of it. Some people like collecting stamps while some others enjoy photography. These hobbies or interests are sometimes expensive but very pleasant. Some people are interested in going fishing because they feel relaxed when they sit near a lake or a river with the rod and line in hand. Others spend their spare hours painting or gardening and these are creative hobbies. There may be as many hobbies as there are men.

In selecting hobbies, people should follow certain rules. A person should select a hobby that causes no harm to others. A person gets annoyed when his neighbor plays the music too loudly. In fact, a hobby is extremely personal, so it should not affect people around. Moreover, one should be careful not to select a hobby that is too expensive because the hobby can become a burden. Last of all, hobbies should also be creative; however, people should not try to make hobbies their professions to earn money because hobbies may lose their value.

Alex Oh! He looks really fantastic at his age.

Carey Yes, he's fine, but he has to walk with a stick.

Alex And who's next to your grandpa?

Carey That's my uncle Peter. He loves playing tennis.

Alex Oh yes. And who's that?

Carey That's my cousin Mary. I'm not really into her.

Alex Why not?

Carey I don't know. She's so wonderful. She can speak 3 languages and play the

piano.

Alex I understand. Do you like meeting up with all your family members?

Carey Yes, I do.

Alex And how about your parents?

Carey They like it, too. As long as the party isn't at my house.

C. Listen to what Anna says about her family and answer the following questions.

Hello. My name's Anna. I'm a student in grade 10. I have one brother and three sisters. They are all older than me, so they all love me. I also have five cousins. I don't meet them really often because they live far from me. We often write emails to each other. My mother is forty-five years old. She is an accountant. Every day she gets up at 6 to go to work. On the weekends I usually play with my closest cousin Isabel. She's really nice and good at math. On Sundays my uncle David often visits me and gives me gifts. I love my father best in my family because he really

understands me. He usually tells me a lot of funny stories before I go to bed. Actually, I love my family.

UNIT 2: LEISURE TIME

Alex: Well, I'm not keen on sports. I enjoy reading books and magazines.

Carey: You should do more sports. You're not in good shape now!

6.

around the lake near my house.

Carey: Oh. Can I go with you?

Alex: Why not? Let's do it this Saturday.

C. Listen and match.

1. Uyen

I think exercise is important for our health. However, I'm not keen on doing exercise. During the week I have to study hard, so on weekends I often get up late and play video games until midnight. It seems that I never exercise. My mother says that I need to change my habit or I will get fat.

2. Carey

I like playing golf so much. Whenever I have free time I go to the course with my friends. Sometimes my girlfriend goes with me. She enjoys it, too. Besides, I get up early in the morning to jog. I'm a bit fat now, so I think I need to exercise a lot to be in good shape.

3. Alex

I don't like jogging or do anything too energetic. I prefer taking walks in the evening when I can enjoy fresh air. I like to take a short walk around the park near my house. On Sunday I like to swim, but just half an hour.

4. Uyen

I cannot keep myself away from my bike when I have free time, especially on weekends. I like to ride it in my neighborhood. I spend all my free time doing this. I hope I'll have a good shape. Moreover, riding a bike can relax my mind.

5. Uyen

I enjoy exercise. Every day I go to my baseball club after school. I spend all the afternoon playing it. Sometimes my mother shouts at me because I miss some homework. I also watch baseball on TV. I never miss any of my favourite team's matches.

Uyen: A "Girl generations" poster and ... Carey: "Girl generations"? Who are they?

Uyen: Oh come on! They are very well-known in Korea.

Carey: Is there a lamp?

Uyen: No, there isn't. I don't like reading in my bedroom.

Carey: What else is there?

Uyen: Well - There are red curtains and three blue chairs and ...

Carey: Let me guess. And a computer?

Uyen: Yes, of course.

downtown.

Alex: Okay.

drawers for you.

Alex: Fine.

UNIT 7: ACTIVITIES

4 LISTENING

A. Steven is talking about his activities. Listen and check (\checkmark) the activities he does or does not do.

I don't really like playing games. I get bored sitting inside my house and playing these games over and over. In my free time, my friends and I usually enjoy camping or sometimes we go hiking. We have a lot of fun together. We cook good food and play outdoor games. They are great ways to enjoy nature, stay healthy and build good friendships. To many people, shopping is great, but I don't really love going shopping. It's crowded and wasting time looking for items that I never buy. Instead, when I'm not outdoors, I am interested in surfing the Internet. I can search for all kinds of things. It's one of my favourite things to do.

UNIT 8: HOBBIES AND INTERESTS

4 LISTENING

A. People are talking about their activities. Which activity does each person enjoy doing now? Listen and choose the correct answer.

Uyen. I used to play the guitar when I was in High School. However, I don't really play it now. Now, I prefer playing the piano much more. I practise everyday no. I find it more interesting than playing any other musical instrument. I am not going to play in a band. I want to become famous by myself in the future. That's what I like best about it.

Carey. A few years ago, I had a serious injury when hiking a mountain. Since then I haven't hiked anymore. I am much less active than I used to be. I just enjoy lying on a sofa and reading the newspaper. That's what I really love doing when I am at home. My friends sometimes ask me to go bird watching with them, but I don't really like it. I prefer drinking coffee to birdwatching.

Alex. When I was younger, I was really keen on playing games, but now I don't think I love them much because I feel bored with them. I think watching videos is as boring as playing videos games. I can't stand them. Now I prefer outdoor activities. I started searching for some interesting outside activities, and I find hiking the best. I take part in a hiking group, and we hike to many different places every weekend. The best thing I like about hiking is I love working with people, making great friends and keeping fit.

Uyen. Collecting stamps was my favourite thing when I was young. But now I don't collect stamps anymore because letters are not popular with people. They prefer emailing or chatting to writing letters. When I grow up, I want to join a baseball club, and I find it interesting to know many different baseball teams and players. They are great. I started collecting baseball cards. Now I have a variety of famous baseball players and teams in the world. It's my favourite thing to do now.

Carey. I really enjoyed reading books when I was a kid. But now I am so busy at work that I don't have enough time to read. I am always sitting in front of a boring computer screen all day. What I like now is going outside and enjoying outdoor activities. My friends and I spend weekends playing golf. We have great time together. It's wonderful to see the blue sky outside the office.
